a time- and money-saving resource
for champaign county businesses

The University of Illinois and Parkland College educate some of the best and brightest talent in our country.

The numbers alone tell you that our workforce is aging. So how will you find the needed talent to catapult your company to the next level? Workforce Solutions now offers the Intern Connect program.

Intern Connect is specifically designed to open doors for your company by:

- **Offering a cost-effective method to accomplishing your company goals for either a long- or short-term situation;**
- **Allowing you to test out new talent before you officially hire;**
- **Giving your company assistance with special projects;**
- **Offering your business a fresh, hip new perspective with out-of-the-box thinking;**
- **Developing a pool of potential new employees;**
- **Bringing a high level of renewed enthusiasm to your company.**

With just one phone call, Workforce Solutions: Intern Connect will work through the higher education maze for your company to connect your business with the right student intern.
